

make AI fun and secure

FUNFUN Guardians

RAUN

IN A PLACE WHERE SERVERS RISE LIKE BUILDINGS
AND DATA FLOWS LIKE RIVERS, THERE STOOD FUNFUN CITY.
ITS USB-LINED STREETS SHIMMERED WITH LIGHT,
CITIZENS RACED ACROSS THE NETWORK ON MICE,
AND HOMES WERE BUILT AMONG THE CLOUDS. FUNFUN CITY WAS PEACEFUL.
AT LEAST... IN THE BEGINNING.

BUT AS TECHNOLOGY EVOLVED, SO DID THE THREATS.
MUTATING MALWARE CREPT INTO THE CITY,
AND TRUST BEGAN TO CRUMBLE.

AI WAS EXPLOITED, DEEPFAKES SPREAD,
AND THE LINE BETWEEN REAL AND FAKE BEGAN TO BLUR.
WITH FORGED IDENTITIES, UNSTABLE PERMISSIONS,
AND DISTORTED PERSONAS,
RELENTLESS WAVES OF HACKING SWEEPED OVER FUNFUN CITY,
LEAVING IT EXPOSED TO A STORM OF GROWING THREATS.

FUNFUN CITY WAS UNDER SIEGE.
AND THE ATTACKS KEPT EVOLVING.

*IN THE FACE OF DANGER,
AT THE MOST CRITICAL MOMENT,
THREE GUARDIANS ALWAYS APPEAR.*

THE WIELDER OF
THE BIOMETRIC SABER
AND A LEADER WHO
TURNS AMBITION
INTO A WEAPON.

THE WIELDER OF
THE VACCINE SYRINGE
AND A TIGER GUARDIAN
WHOLLY DEVOTED
TO HEALING.

THE WIELDER OF
THE SECURITY SHIELD
AND A PROBLEM-SOLVER
DRIVEN BY OVERWHELMING
EXECUTION.

THIS GREAT JOURNEY WAS NOT WRITTEN OVERNIGHT.
*WHO ARE THEY, AND HOW DID THEY BECOME
THE GUARDIANS OF FUNFUN CITY?*

THE FIRST GUARDIAN, RAONI A FATED ENCOUNTER WITH THE BIOMETRIC SABER

POSITION | ATTACK
WEAPON | BIOMETRIC SABER
KEYWORD | AMBITION
M B T I ENTJ

SOMEWHERE IN FUNFUN CITY, THERE STOOD A SWORD
NO ONE HAD EVER BEEN ABLE TO DRAW.
IT WAS THE FINAL LEGACY OF A PRESTIGIOUS FAMILY OF
BIOMETRIC AUTHENTICATION MASTERS—

THE BIOMETRIC SABER!

LONG AGO, THE FAMED BIOMETRIC FAMILY
VANISHED IN A TRAGIC ACCIDENT.

THEIR SON WAS NEVER FOUND,
AND THE SABER WAS LEFT WITHOUT A MASTER.

COUNTLESS CITIZENS HAD TRIED TO CLAIM IT,
BUT THE SABER HAD NEVER ONCE RESPONDED.

RAONI STOOD BEFORE THE SABER.
UNAWARE OF HIS TRUE HERITAGE.

THE MOMENT RAONI TOUCHED THE SABER,
A GENTLE PULSE RIPPLED THROUGH THE STONE.

AS IF IT HAD BEEN WAITING FOR THIS MOMENT...
RAONI'S FINGERPRINT TOUCHED **ONEPASS**.
IN A DAZZLING FLASH OF LIGHT,
THE SABER BURST FREE FROM THE STONE!

AT LAST, THE LEGEND OF FUNFUN CITY HAD BEGUN ANEW.

THE ONLY BLADE CAPABLE OF CUTTING
THROUGH ADVANCED THREATS IN AN INSTANT—
THE MASTER OF THE BIOMETRIC SABER
HAD RETURNED.

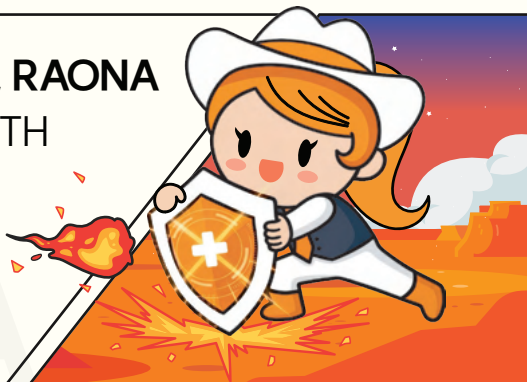

BUT RAONI WASN'T THE ONLY GUARDIAN PROTECTING
FUNFUN CITY. DRAWN BY SIGNS OF DANGER IN A NEARBY
VILLAGE, HE CAME ACROSS AN UNEXPECTED ALLY.

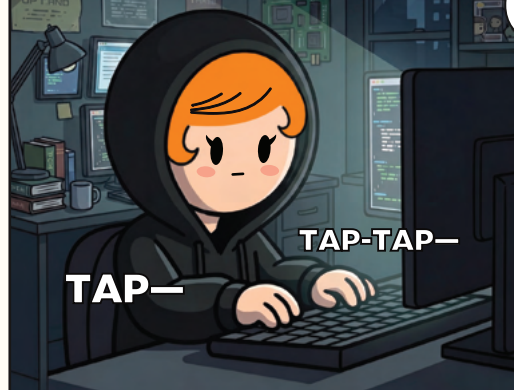

THE SECOND GUARDIAN, RAONA A FATED ENCOUNTER WITH THE SECURITY SHIELD

POSITION | DEFENSE
WEAPON | SECURITY SHIELD
KEYWORD | EXECUTION
M B T I I E S F J

AFTER SURVIVING A HACKING INCIDENT AS A CHILD,

RAONA BECAME A WHITE-HAT HACKER
DETERMINED TO PROTECT OTHERS.

TAP—

TAP-TAP—

AT FIRST, IT LOOKED LIKE AN ORDINARY ANTIQUE.
BUT IT WAS ACTUALLY RAON MOBILE SECURITY SYSTEM,
CAPABLE OF DETECTING EVEN THE MOST SOPHISTICATED
DEEPPAKES. RAONA IMMEDIATELY SENSED ITS POWER.

BEEP—!

THIS WASN'T
AN ORDINARY
SHIELD!

I'M SO RELIEVED
WE WERE ABLE TO
STOP THE ATTACK.

EVERYTHING IS
UNDER CONTROL
NOW!

I THINK
THIS SHIELD
BELONGS WITH YOU.

THANK YOU.

WHOOSH—

SNAP!

SWOOSH...

WITH HER STRONG SENSE OF JUSTICE,
RAONA NEVER HESITATED TO HELP THOSE IN NEED.
ONE DAY, AFTER HELPING AN ELDERLY VICTIM OF CYBERCRIME,
SHE RECEIVED AN OLD SHIELD AS A TOKEN OF GRATITUDE.

IT WAS THE LEGENDARY SECURITY SHIELD—

A WEAPON WIELDED ONLY BY A TRUE GUARDIAN.

FWOOOM—!

WITH THIS SHIELD,
I'LL PROTECT FUNFUN CITY
AND ITS PEOPLE!

SO RAONA TRAVELED ACROSS FUNFUN CITY,
PROTECTING ITS PEOPLE
FROM THE THREATS THAT LURKED IN THE SHADOWS.

HELP ME!

STEP BACK!

SECURITY SHIELD!
FULL POWER ACTIVATED!

AT THAT CRITICAL MOMENT,
SOMEONE CAME TO HER AID.

I'LL
HELP YOU!

THEN ONE DAY, A POWERFUL NEW THREAT APPEARED!

I'M RAONI.
I'M GATHERING A TEAM
TO PROTECT FUNFUN CITY.
WILL YOU JOIN ME?

GLADLY.
IF PEOPLE NEED MY HELP,
I'LL GO WHEREVER
I'M NEEDED!

AS THE TWO GUARDIANS JOINED FORCES,
A NEW CHAPTER HAD BEGUN.

THE THIRD GUARDIAN, RAONG A FATED ENCOUNTER WITH THE VACCINE SYRINGE

POSITION | HEALING
WEAPON | VACCINE SYRINGE
KEYWORD | FOCUS
M B T I I NFP

AFTER A FIERCE BATTLE WITH THE VIRUS LEGION,
A TINY KITTEN WAS LEFT ALL ALONE.

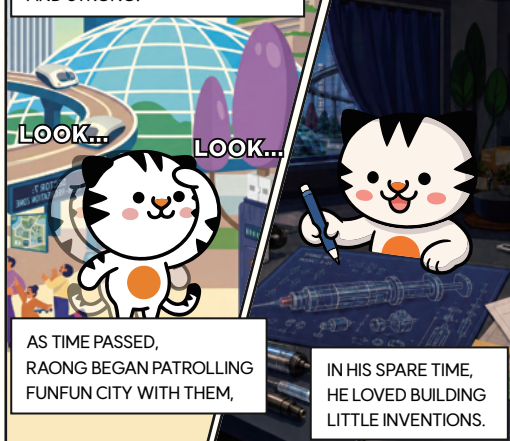

THERE MUST HAVE BEEN
A BATTLE HERE.
THIS KITTEN IS STILL ALIVE!

I DON'T SEE
HIS FAMILY ANYWHERE.
LET'S TAKE HIM WITH US.

RESCUED BY RAONI AND RAONA,
RAONG GREW UP HEALTHY
AND STRONG.

AS TIME PASSED,
RAONG BEGAN PATROLLING
FUNFUN CITY WITH THEM,

IN HIS SPARE TIME,
HE LOVED BUILDING
LITTLE INVENTIONS.

THEN ONE DAY, A MASSIVE SYSTEM FAILURE
SWEEP ACROSS ALL OF FUNFUN CITY.

HUH? A SYSTEM ERROR?
DO I NEED TO
GET VERIFIED, MEOW?

ERROR
AUTHENTICATION
SYSTEM FAILURE

HMM?

AS A FULL-SCALE REVERIFICATION BEGAN
THROUGH THE REINFORCED BLOCKCHAIN SYSTEM,
RAONG LINED UP TO VERIFY HIS IDENTITY WITH
OMNIONE DIGITAL ID.

AT THAT MOMENT, THE TRUTH WAS FINALLY REVEALED.

RAONG WASN'T A CAT AT ALL—
HE WAS THE CHOSEN TIGER!

WITH THE TIGER'S AWAKENING,
THE LEGENDARY VACCINE SYRINGE WAS INALLY UNLEASHED!

AS THE VACCINE SYRINGE AWAKENED,
A WARM ENERGY SPREAD OUTWARD.
ONE BY ONE, THE CORRUPTED SYSTEMS
BEGAN TO RECOVER.

AT LAST, THE THREE POWERS HAD BECOME ONE.

WE ARE
THE FUNFUN
GUARDIANS,
PROTECTORS OF FUNFUN CITY!

ATTACK

HEALING

DEFENSE

AT LAST, THE THREE GUARDIANS' PATHS CONVERGED.
AS THEIR WEAPONS RESONATED, THE FRAGMENTED TECHNOLOGIES SYNCHRONIZED
INTO ONE POWERFUL SYSTEM.

AN AUTONOMOUS SECURITY INTELLIGENCE

THAT COULD ANALYZE DATA ON ITS OWN AND
RESPOND IN REAL TIME.

**ACTIVATING
AGENTIC AI**

BEFORE THE POWER NOW UNITED AS ONE,
EVEN THE MOST UNPREDICTABLE THREATS
ARE WIPED OUT IN AN INSTANT.

***THE FLAWLESS PROTECTION OF
AGENTIC AI, EVOLVING IN REAL TIME.***

AGENTIC AI

SYSTEM
ACTIVATED!

AND WITHIN THE BOUNDLESS SAFETY OF
TRULY SEAMLESS SECURITY,
***A NEW ERA OF PROTECTION BEGINS
IN FUNFUN CITY.***

THOUGH THREATS NEVER STOP EVOLVING,
THE CITY ALWAYS FINDS ITS PEACE AGAIN.

THE PERFECT UNION OF THE THREE GUARDIANS—
AGENTIC AI.

A POWERFUL, UNIFIED SECURITY INTELLIGENCE
PROTECTS THE CITY IN REAL TIME, EVERY SINGLE DAY.

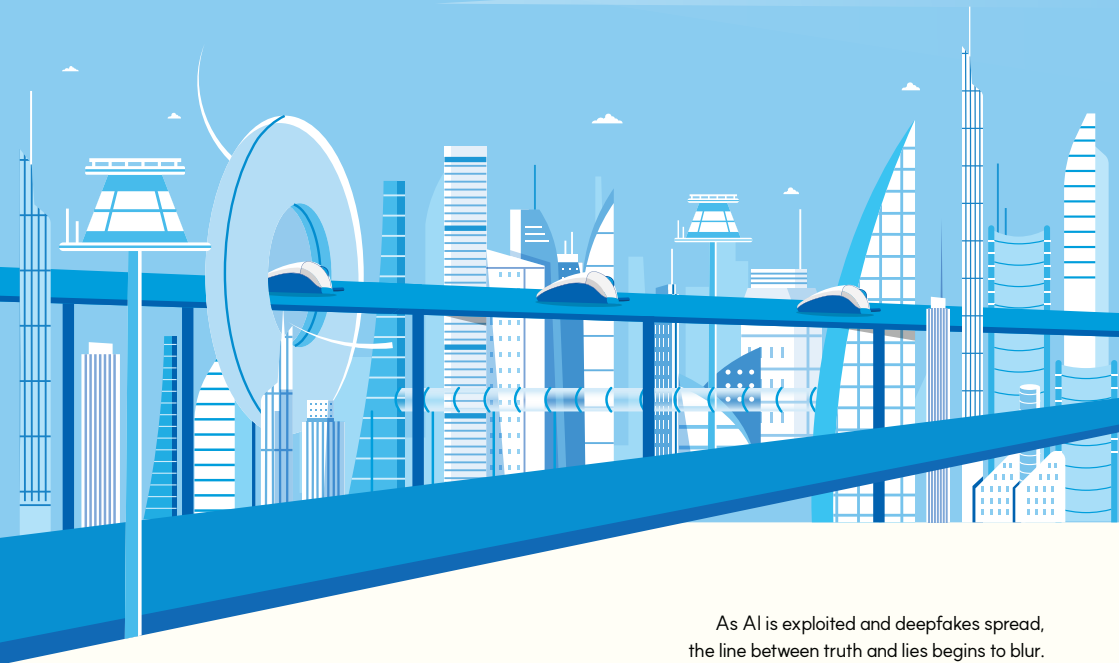

TODAY AND TOMORROW,
FOR AN AI-POWERED WORLD
THAT IS BOTH FUN AND SECURE—

***make AI fun and secure
THE JOURNEY OF
THE FUNFUN GUARDIANS NEVER ENDS!***

TO BE CONTINUED...

FUNFUN CITY

As AI is exploited and deepfakes spread,
the line between truth and lies begins to blur.
And just before every system in the digital city of FunFun City falls into chaos...
they appear.

Raoni, wielder of the Biometric Saber.
Raona, guardian of the ironclad Security Shield.
Raong, genius inventor and wielder of the Vaccine Syringe.

The era of isolated defense is over.
Their technologies unite into a single intelligent system.
At last Agentic AI is activated!

Fearless against even the most unpredictable threats.

Join the FunFun Guardians,
and defend FunFun City!
